

MONONA GROVE SCHOOL DISTRICT

Board Policy 378

STUDENT PERFORMANCES

The Board recognizes that worthy and appropriate educational values accrue from student participation in civic and community affairs. As such, the Board encourages the participation of student groups in public performances when such performances contribute to the educational processes and objectives of the school, and when it does not unduly interfere with the educational program. The following shall govern student participation in public performances:

1. All such performances must be approved by the Building Principal/designee.
2. Extensive travel is discouraged.
3. All interscholastic or summer performances must be approved by the Building Principal/designee.
