

## **MONONA GROVE SCHOOL DISTRICT**

Board Policy 432

### **SCHOOL ATTENDANCE AREAS**

The Board of Education shall determine the boundaries of the school attendance areas. The geography and the population distribution of the district and the instructional facilities available shall be considered in defining the attendance areas. All students must attend school in the attendance area as designated. A parent/guardian who wishes his/her child to attend a school other than the school in his/her attendance area may submit a written request to the Superintendent.
