### Board Policy 531

#### **PROFESSIONAL STAFF POSITIONS**

For purposes of this policy manual, professional personnel shall be defined as all employees who are required by law to have a professional certificate from the Department of Public Instruction (DPI) for the position they hold, with the exception of administrators.

Subject to provisions of state law, DPI regulations and the collective bargaining agreement, the Board of Education, upon recommendation of the Superintendent, shall employ and reemploy professional personnel and determine their qualifications, conditions of employment, promotion, demotion, dismissal and work assignment.
