Board Policy 535

PROFESSIONAL STAFF ASSIGNMENTS AND TRANSFERS

Appointments for professional personnel, except under unusual circumstances, must be restricted to the areas of major preparation.

The Superintendent is expected to assign personnel in such a manner as to most effectively utilize their strengths and abilities. The authority of the Superintendent or his/her designee to transfer personnel is implicit in this responsibility. He/she shall exercise this authority within any union contractual restraints and shall consider individual qualifications along with individual choice in making transfer decisions.
