

MONONA GROVE SCHOOL DISTRICT

Board Policy 539.1

TUTORING

Every effort shall be made by the building principal and professional staff to help a student who is having difficulties at school before recommending that parents engage a tutor. The Board believes that by maintaining high quality instructional staff and providing for a rich, varied curriculum, the need for individual tutoring is minimized.

It shall be considered a conflict of interest for district employees to solicit opportunities to provide private instruction, therapy or treatment to Monona Grove School District students.
