

MONONA GROVE SCHOOL DISTRICT

Board Policy 933

SITE ACQUISITION

The Board shall consider as its minimum standards such site specifications as required by the Department of Public Instruction (DPI) and other state and federal agencies.

Priorities based upon population patterns and educational needs shall be established in order that proper locations for school sites may be acquired. Such acquisitions shall be commenced in advance of time for construction in order to allow adequate time for completion of topography studies and other preliminary work.
