was established in 1994

Mission Statement

- The Monona Grove Education Foundation supports projects and programs that promote excellence in the Monona Grove School District.
- The Foundation is supported solely by generous gifts from individuals, groups, and businesses.
- These resources enhance the total educational program and expose students and staff to new perspectives in learning.
- Through funding of innovative and original programs, the Foundation seeks to take educational experience beyond the expected level.
- It is the Foundation's expectation that programs supported by the Foundation will help develop and refine education innovations that will ultimately provide Monona Grove students with added knowledge and skills.
